Mr. David King
Deep Seal Plumbing
P.O. Box 6624
Glen Allen, Va. 23058

Dear David:

Please feel free to use this testimonial in your marketing materials.

I have used David King of Deep Seal Plumbing for several years. He has handled both residential and commercial jobs for me. In every instance he and his team have been professional, courteous, and prompt. In one emergency situation he worked into the evening to ensure that my family would not have to move out of our house. I would gladly recommend Deep Seal Plumbing to anyone - residential or commercial.
